

Welcome to
Godly Play

Godly Play is different...

- here children can wonder all they want
and not come to the “right” answer
- they share community time, but they
can explore the story they choose on
their own, too
- the community supports the growth of
each other as we come close to the
mystery of God’s presence among us
- sometimes there is listening or talking
with God

The time of Godly Play is
similar to Worship time...

We gather:

TOGETHER

We HEAR the story

We RESPOND

Through thinking, art or playing

We PRAY & FEAST

And serve each other

We are BLESSED

By the whole & ONE

We are SENT
Until we come again...
